STREETS IN BRIGHTWOOD

The People Seeking to Have Two Thoroughfares Extended.

Improvement of Thirteenth and Fourteenth Streets Discussed by the Citizens' Association—Committee Appointed to Recommend Extension Under Certain Conditions.

At the regular meeting of the Brightwood Citizens' Association, held at Brightwood Hall last evening, the question of the extension of Thirteenth and Fourteenth Streets was discussed by the large number of members present.

Maps showing the course of the streets extended and the effect of such extension upon adjacent property were exhibited.

Mr. Thomas G. Blagden, Chairman of the Committee on Streets, made a report setting forth the needs of street extension in Brightwood and vicinity. The report called attention to the dilatory manner in which Brightwood Avenue was being macadamized, and recommended that the District Commissioners be requested to expedite its completion at an early date. It was also recommended that the existing bad condition and necessity for repair of the road extending across country from Seventh Street toward Linden be brought to the attention of the Commissioners. It was stated that pledges for the donation of land for the extension of Thirteenth and Fourteenth Streets had been secured in a highly satisfactory manner. All land for extension of Thirteenth Street from Spring Street to Brightwood had been pledged with the exception of four parcels of property, and all land for the extension of Fourteenth Street had also been secured from Spring Street to its intersection with Piney Ridge Road.

The Committee on Streets expressed the opinion that 75 per cent of the land necessary for extension of streets within the District lines could be secured by donation.

The following resolution was then presented and adopted:

Resolved, That the President appoint a committee of five to wait upon the Commissioners and the committee on the part of the extension of Thirteenth and Fourteenth Streets provided 75 per cent of the land necessary for such extension be donated.

The committee was also instructed to have bills prepared and introduced into both houses of Congress and to do all in its power to further their passage.

President Shoemaker read a letter he wrote some time ago to the Assistant Postmaster General regarding the extension of mail delivery into certain parts of Brightwood where there is now no delivery. The First Assistant Postmaster General had replied to the effect that the appropriation for the extension of the service had been exhausted and that consequently there were at the present time no funds for the extension of the service in the direction desired.

A motion was made and passed to ask from the Postoffice Department the establishment of a sub-station at Whitney Avenue and Sheridan Street.

Mr. Wilton J. Lambert presented a resolution expressing the appreciation of the association of the courtesies extended that organization by Mr. Theo. Folter, proprietor of the Brightwood Hotel, where the meetings of the association are held. The resolution was unanimously adopted.

A resolution was introduced and unanimously adopted instructing the president to appoint a committee to call upon the Washington Trust and Electric Company and request that the cars on the Brightwood line of their system be heated during the winter months. The president appointed as members of this committee Messrs. George Field, R. M. Johnson, and E. N. Robinson.

Mr. Terry, and John Boyle were elected to membership in the association.

President Shoemaker opened the discussion on the bond issue movement by saying that the Brightwood Citizens' Association had originated the idea. He read to show this point a resolution that had been adopted by the Brightwood Association last April, and which called for the issuance of bonds to be paid a number of years later to raise funds with which to extend the streets in the suburbs of the District.

In conclusion he remarked that the bond issue movement was a necessity to the city of Washington if it was to progress as it should in the next few years. He congratulated the Brightwood Association upon having generated the idea.

President Shoemaker then appointed as a committee to act on the bond issue resolution, together with the committees from other associations, Messrs. Blair Lee, W. V. Cox, and E. N. Robinson.

TO CLOSE WITH A DANCE.

Tonight's Feature at the Convention Hall Automobile Show.

The automobile show will close tonight with a dance. It is expected that a large crowd will be present. Another feature of the final programme will be an obstacle race from which much enjoyment is anticipated. The track will be strewn with potatoes and the vehicles that fail to avoid them will be counted out. There will also be other races and tests before the dance begins.

A Strong Sermon

"Sleep dwell upon thine eyes, peace in thy heart."

This quotation can be appropriately applied when speaking of Duffy's Pure Malt Whiskey. It brings refreshing sleep to the weary and peace to the diseased, tired brain. The following letter from the Rev. B. Mills was written in answer to a criticism and query from one of his church members. He says Duffy's Pure Malt Whiskey is a blessing to mankind.

Meade Center, Kans.
My Dear Bro.: Your favor with the enclosed slip is at hand. The facts are these: My wife was an invalid for several years, and on our physician's recommendation used a certain preparation with very great benefit. I am a Presbyterian clergyman, a Doctor of Divinity and Medicine. I am not afraid to say that Duffy's Formula and Duffy's Pure Malt Whiskey are the purest and most effective preparations as medicines I have ever known.

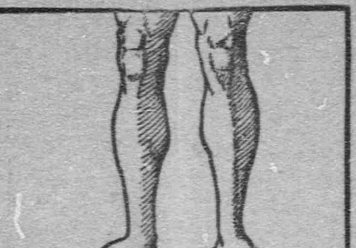

It is the only Whiskey tried by the government as a medicine. This is a guarantee. Be sure you get the genuine. Refuse substitutes. There is none just as good as Duffy's. All druggists, grocers, or direct, \$1.00 a bottle.

If you are sick and run down, write us; it will cost you nothing to learn how to regain good health, energy and vitality. Medical booklet sent free.

DR. PIERCE'S GOLDEN MEDICAL DISCOVERY

IS A TRUE MUSCLE MAKING MEDICINE

It makes muscle by making health. It makes health by curing the diseases which undermine the strength. The starting place of physical deterioration and weakness is generally the stomach. The "Discovery" positively cures diseases of the stomach and organs of digestion and nutrition. Take "Golden Medical Discovery" and you'll get well and strong.

"I wish to express my thanks to you for your wonderful medicine," writes Mr. Geo. Logan Doggett, of Piedmont, Greenville Co., S. C. Box 157. "I was almost past work suffering so much from chronic catarrh and indigestion. Your 'Golden Medical Discovery' cured me in less than three months, and was completely cured of indigestion and greatly relieved of catarrh."

The Committee on Streets expressed the opinion that 75 per cent of the land necessary for extension of streets within the District lines could be secured by donation.
